

Thousands of Calgarian's living in poverty are in need this holiday season and all year long.

CANA GIVES BACK TO THE COMMUNITY OVER THE HOLIDAYS

Calgary, Alberta-- December 19, 2014--In lieu of corporate gifts, **CANA**, has sponsored The Mustard Seed Christmas Dinner to help bring the joys of the season to those less fortunate. The Mustard Seed helps meet the basic needs for men and women experiencing poverty and works with them to find sustainable housing and employment. On Christmas Day our \$10,000 donation for the dinner will feed over 400 people in need.

CANA employees have generously volunteered their time to prepare and serve Christmas dinner at the Mustard Seed shelter.

CANA is proud to work with The Mustard Seed organization and fully support their mission of building the community, growing hope and supporting change.
