## **CANA IS ONE OF CANADA'S BEST MANAGED COMPANIES**

Calgary, Alta. - March 11, 2015 - CANA Group of Companies was named one of Canada's Best Managed Companies for 2014. CANA is proud to announce that this is our 14<sup>th</sup> consecutive year of receiving this award for excellence in business performance; we have been a platinum member of the 50 Best since 2008.

2014 winners of this award, along with the Gold Standard winners, Re-qualified and Platinum Club members will be honoured at the annual Canada's Best Managed Companies gala in Toronto on March 31, 2015. On the same date, the symposium will address leading-edge business issues that are key to the success of today's business leaders.

Canada's 50 Best Managed Companies, established in 1993 by Deloitte, is one of Canada's premier business awards programs. It celebrates companies that demonstrate vision, passion and achievement in their daily business. To be awarded the honour of 50 Best, our performance has been measured against our competitors and we have proven that we have achieved sustainable growth and excelled in our environment.

Since its inception in 1942, CANA has followed a think straight, talk straight, do-it-right-once approach with no surprises. We are dedicated to a transparent and cooperative approach to business that has led us to be one of Canada's best managed. Comprised of CANA Construction, CANA Utilities, CANA High Voltage and Shepard Development, The CANA Group serves a highly sought-after group of private and public sector clients.
