Construction Strategies

Fabrizio Carinelli – President of CANA Construction, is pleased to announce the appointment of Kim Connell as Vice President Construction Strategies, CANA Construction, effective April 1, 2013.

Kim started with CANA in 2001 and has over 17 years of experience in the construction industry. Prior to CANA, Kim worked with W.M. Fares and Associates Ltd. and with Pacrim Developments Inc. as a Project Manager. Kim started with CANA as the

Construction Manager on the first LEED certified building in Calgary, the Crowfoot Library. Kim was also involved on numerous projects as a Construction Manager including the West Wing Expansion at Mount Royal University and the Calgary Courts Centre project. Kim was promoted to Senior Pre-Construction Manager in 2008 where she was responsible for managing CANA's estimating department, scheduling and pre-construction planning for all projects.

Kim is a Professional Engineer through APEGA, Gold Seal Certified Project Manager through the Canadian Construction Association, LEED AP and member of the Board of Directors for the Calgary Construction Association.

As part of the Senior Executive team, Kim continues to support CANA's mission to serve the people of Calgary by delivering a variety of construction projects, on budget and on schedule.
