**RE: ACE Construction Company Name Change**

*Dear Valued Client,*

Effective January 1st, 2012 ACE Construction has been renamed CANA Utilities Ltd. The changes come as part of the 70th anniversary of the CANA Group of Companies and are part of a re-branding exercise that will bring all the companies under the CANA name.

Also, effective January 1st, 2012 our sister company High Time Industries has been renamed CANA High Voltage Ltd.

Our business philosophy and commitment to delivering exceptional service on time and on budget to our clients remains the same. There will be no changes to the services we provide and business will continue uninterrupted.

As part of the re-branding you will see a few changes in our communication with you effective January 1st, 2012:

1. Our corporate websites have changed to [www.canautilities.ca](http://www.canautilities.ca) and [www.canahighvoltage.ca](http://www.canahighvoltage.ca).
2. All of our company email's will now be last name first initial @cana.ca (example Mike Smith, smithm@cana.ca)
3. You will see our new logos above on all of our corporate documents
4. All vehicles will carry just the CANA logo

Please do not hesitate to contact any member of our team if you have any questions or concerns.

Please feel free to pass this letter through your organization so that everyone is aware of our new corporate name.

We look forward to working with you under our new corporate name and delivering on our commitment of exceptional service, on time and on budget.

Sincerely,

**John Simpson**  
President and CEO
